

REMARKS

This amendment revises the claims consistent with the applicants' election of the claims of Group 2 and Group I(F) without traverse, i.e. claim 19.

This amendment further adds new claims 21-24 which are dependent on elected claim 19, and hence are properly examinable. Support for new claims 21-24 is present in paragraphs 25-27 and 34 of the specification, and originally-filed claim 13.

This application is now ready for examination on the merits.

Respectfully submitted,
